DETAILED ACTION

Notice to Applicant

1. This communication is in response to the Amendment filed on 8/14/07. Claims 2-4, 8-11, 14, 15, 19-22, 24-26 and 30-33 have been amended. Claims 2-11, 13-22 and 24-33 are pending.

Allowable Subject Matter

2. Claims 2-11, 13-22 and 24-33 are allowable. The following is an examiner's statement of reasons for allowance and in light of Applicant's arguments.

Independent claims 4, 15 and 26 are directed to "fulfilling payment of a line item based on the evaluating of the line item data, wherein the fulfilling comprises: maintaining a vendor database on the insurance host server; placing an order for the line item for the insurance host server to vendor; and tracking the order on the insurance host server".

The closest prior art of record Peterson et al (6,343,271) discloses electronic creation, submission, adjudication, and payment of health insurance claims.

Borghesi et al (5,950,169) discloses system and method for managing insurance claim processing.

However, none of the cited prior art discloses/suggests "fulfilling payment of a line item based on the evaluating of the line item data, wherein the fulfilling comprises: maintaining a vendor database on the insurance host server; placing

an order for the line item for the insurance host server to vendor; and tracking the order on the insurance host server".

Claims 2-3, 5-11, 13-14, 16-22, 24-25 and 27-33 incorporate the features of claims 4, 15 and 26 through their dependencies, and are also allowed for the same reasons given above.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
